# iDISPLAY™ Tablet 18.5″ UIT218

WiFi™ * 3G * 4G LTE

BUILT FOR
COMMERCIAL USE

The iDISPLAY Tablet 18.5" is designed for kiosk and public venue touch points. Operating on an Android operating system and powered by Pulse technology, this display includes all of the solutions needed for commercial locations. Attach to any standard TV/monitor Vesa bracket - and just turn on the power. A fully interactive commercial display using capacitive touch (with built in WiFi and LAN) and a host of integrated features, in either landscape or portrait format. With the option to expand 3G/4G and GPS services with a USB dongle* (inserted in the secure back cover), this is an interactive digital display for any commercial location.
