Harmony 555 Remote Control

Sleek and strong

- A comfortable and simple design with just the commands you need to be in complete control
- Simple one-touch activity control - One button does it all
- Online Internet Database with access to thousands of codes for an easy set up
- World's largest A/V control database makes it work with almost all brands
- Replaces up to 15 remote controls
- Sound and picture buttons for quick access to your favorite functions
- Full product support
- 2 year guarantee

Finally, complete control with one remote. Simple computer based set-up allows for control of your home entertainment devices with the touch of one button. Choose "Watch DVD" and this will power on the TV, DVD, and stereo receiver, set the inputs, and even press play. The Harmony 555 gives you full control of up to 15 devices from an on-line database that includes 3,500+ brands and 125,000+ devices - everything from HDTV's to DVD's, from laserdiscs to VCR's, even lighting controls and more! And it's updated every day, so you're always in control.
