

Logitech® Harmony® One Advanced Universal Remote

Touch-screen simplicity

Advanced remote control with full-colour touch screen for your home entertainment system

- Full-colour touch screen provides easy, one-touch access to activities
- Sculpted backlit buttons allow you to navigate easily – even in the dark
- Replaces up to 15 remotes, reducing clutter and complexity in the living room
- The ergonomic shape fits comfortably in your hand
- The rechargeable remote eliminates the worry about changing batteries
- 2-year guarantee
- Full product support

Give your family one-touch access to home entertainment. One press of the Harmony One's colour touch screen and you're watching a DVD or your favourite TV channel. Sculpted, backlit buttons placed in logical zones make it easy to navigate – even in the dark. The ergonomic shape fits comfortably in your hand. As it's rechargeable, you never need to worry about changing batteries. Harmony One replaces up to 15 remotes, reducing clutter and complexity in your living room. Supporting more than 5,000 brands, this smart remote controls home-entertainment devices you have today or will buy tomorrow. 2-year guarantee; full product support.
