

Logitech®

Harmony 895 Advanced Universal Remote

Complete control from anywhere in your home

- Controls devices inside cabinets and through walls and floors
- No more pointing, no line of sight required
- Transmits both IR and RF signals for whole home
- Can control lighting installations using the Z-Wave standard
- Simple, one touch activity control
- Control up to 15 devices in your entire home entertainment system with just one button
- Easy internet set-up – instant access to worldwide database (5000+ manufacturers)
- Controls your devices; past, present and future
- Includes docking station so that your remote is always charged
- 2 Year Guarantee
- Full product support

Harmony 895 includes an RF Wireless Extender that has a range up to 30 metres allowing one-touch control of your entire home entertainment system – even inside cabinets and through walls. No more pointing, no line-of-sight required. With a range of up to 30 metres, you can hide your equipment inside a cabinet or even move it to the next room. Logitech's online database includes 5,000+ brands, 200,000+ devices and grows daily so you're always in control. The Harmony includes a docking station that keeps the remote fully charged and a 2 year guarantee and full product support.
