Harmony 785 Advanced Universal Remote

- Complete control with one remote
- Replaces up to 15 remote controls
- Simple one-touch activity control - one button does it all
- Large and clear colour LCD display
- Long lasting rechargeable battery
- Charging station included
- Easy to setup, easy to use
- World's largest A/V control database
- 2 year guarantee
- Full product support

Elegance and efficiency in one remote control. The Harmony 785 replaces up to 15 remote controls and masters your entire home entertainment system at the touch of one button. Simply choose "Watch a DVD" and the Harmony turns on you TV, DVD, Stereo receiver- even presses play. Logitech's online database includes 4,000+ brands, 140,000+ devices and growing daily so you're always in control. Easy to setup and easy to use - there's even a handy "HELP" button so that anyone from the kids to the babysitter can easily access their entertainment. Built-in interactive colour LCD display and a long lasting rechargeable battery ensure comfort in use.
